

To Whom it May Concern,

FUTURE (Families United Toward Universal Respect) is a non-profit, 501(c) 3, organization that supports women in other countries and teaches them an organizational model based on volunteerism that promotes self-reliance, networking, and unity of the family. FUTURE's "Hugs for Healing" program facilitates communication, nation building, healing, and reconciliation for the next generation. All aspects of our program are non-political, non-religion specific and respectful of all cultures and religions.

FUTURE is facilitating and continuing to teach a group of Iraqi women this organizational model and has assisted them to form their own organization based on volunteerism called "Women for Future - Iraq."

The Heroes Salute is a gala entertainment evening that will be held at the Hyatt Regency Hotel in Greenville, SC on March 18, 2011 as the culmination of the Nashville Connection. This very special event salutes Gold and Blue Star Moms, wounded warriors, active duty military, and their families. There will be a reception with musical spotlights of area talent, a silent auction, and the Gala Heroes Salute program.

FUTURE, JB Productions, DB Artist Development, and Whitestone Studios are collaborating to produce the unique opportunity to bring top Nashville music Professionals to join top professionals from the Upstate for a must attend workshop for serious singers, song writers, and bands at the Hyatt Regency in beautiful Downtown Greenville, SC.

The "Heroes Salute" fundraiser is something that you, as a contributor, can be very proud of. Please join us and become an integral part of our "Nashville Connection/Heroes Salute" Concert and enjoy a wonderful evening of entertainment with special guest stars, lively music and a feeling of connection to a most worthwhile cause: Proceeds will benefit FUTURE's Gold Star Moms' "Hugs For Healing" flights to Iraq, the USO Operation Enduring Care Program for Wounded Warriors and their families, and each ticket holder will be asked to bring a new toy for the Marine Corps "Toys For Tots" drive.

Sincerely,

Joan Betros
